

Nursing Faculty Resources

The follow websites contain a wealth of information for nursing faculty interested in geriatric nursing:

[The Hartford Institute of Geriatric Nursing](#) provides resources developed by the Institute in the areas of education, practice, research and policy, including:

- *Try This: Best Practices in Nursing Care to Older Adults* series of Assessment tools
- Niche: *Nurses Improving Care to Health system Elders* Program
- Evidence Based Geriatric Nursing Protocols
- Geriatric Nursing Certification Review Course
- Advance Practice Curriculum Care Studies

[The geriatric clinical nursing](#) website of the Hartford Institute of Geriatric Nursing, this site provides evidence –based content developed by national experts for nurses in both clinical and educational settings

[Institute of Medicine](#) site featuring their April 2008 report, *Retooling for an Aging America: Building the Health Care Workforce*.

[National Gerontological Nursing Association](#) website includes scholarship information and other resources.

The [MA Department of Higher Education Nursing Initiative](#) addresses both the nursing shortage and the shortage of nursing educators in Massachusetts. The site includes links to the initiative's reports, the Nurse of the Future competencies and the Centralized Clinical Placement System.

[Partners Investing in Nursing's Future \(PIN\)](#) is a partnership of the Northwest Health Foundation and the Robert Wood Johnson Foundation to support local foundation leadership in the development of local solutions to the nursing shortage. Site includes links to funded projects to date, including the Massachusetts Collaborating for the Advancement of Nursing: Developing Opportunities (CAN DO) project.

Website of [The Center to Champion Nursing in America](#), a joint initiative of AARP, the AARP Foundation and the Robert Wood Johnson Foundation, to address the growing nurse and nurse faculty shortage. Site includes conferences opportunities, reports, and related legislative initiatives.
